## Description

If you're looking for a discreet and unique lamp to display in every corner of your home or workplace, Cabless11 is the answer to your needs. This wireless lamp, operating at 5 volts and made from alder wood, comes complete with an Impero mini lampshade.

What makes Cabless11 unique?

A number of details contribute to the uniqueness of this lamp, such as the wooden base, available in various finishes, or the Italian craft. The portable Cabless11 lamp is powered by a **rechargeable battery** (Li-ion 18650 included), which makes it easy to use on a number of occasions and in many spots, from the balcony to the bedside table at home, to a restaurant counter. Recharge it by connecting it to any wall charger, laptop or battery pack by using a simple USB-C cable.

Structure and design of the Cabless11 lamp?

With its elegant cone-shaped base, Cabless11 seamlessly fits into any environment. The base is available in painted or classic wood, with a designer shade, or opt for the natural beauty of the wood grain. The Impero mini lampshade completes the look, while the brass touch ignition button adds an extra touch of sophistication.

Is Cabless11 dimmable?

Of course. Adjust the different brightness levels by using the touch button. Brighter lighting for reading or writing, or softer to wind down and relax.

Why choose the Cabless11 lamp with lampshade?

If you're looking for a portable and versatile lamp, Cabless11 is the ideal choice, as the rechargeable battery and interchangeable 5-volt light bulbs offer endless possibilities. The available finishes allow you to adapt the product to any room and style. The Impero lampshade adds a classic yet timeless appearance. Cabless11 is also made in Italy, and therefore is sure to guarantee excellence and quality.
